Honorable Mark Falk, U.S.M.J.
United States District Court
United States Post Office & Courthouse, Room 457
1 Federal Square
Newark, NJ 07102

Re: NXIVM v. The Ross Institute, et al.;
Docket No. 06-cv-01051 (DMC) (MF)

Dear Judge Falk:

If further evidence were required to demonstrate –

- that NXIVM’s litigation tactics abuse the legal system;
- that it uses the courts as a tool to conduct personal vendettas against all perceived “enemies”; and
- that it consistently uses discovery in one matter to collect intelligence for use in others

attached to this letter are (1) NXIVM’s most recent Supplemental Disclosures, filed in its aggressive interference in Susan Dones’s bankruptcy case, which publicly, scurrilously and contemptibly accuse me of the “unauthorized practice of law”; and (2) my e-mail to the NXIVM lawyers who filed this absurd paper, demanding a retraction for their defamatory and unethical assertion. Note, of course, that Mr. Crockett – who despite all protestations to the contrary is in fact the Grand Puppetmaster of NXIVM’s abusive, nationwide litigation strategy – is a signatory to the paper.

For the moment, I seek no specific relief from this Court. But it is long past time for Mr. McGuire (i) to stop feigning ignorance of NXIVM’s out-of-state conduct, and (ii) to moderate the conduct of “his” client, NXIVM, and of Mr. Crockett – whose *pro hac vice* admission to this Court he sponsored.

The Hon. Mark Falk, U.S.M.J.
